**3<sup>rd</sup>** Meeting of IILA member countries' Space Agencies

**6<sup>th</sup>** Latin America Remote Sensing Week-Lars

**5<sup>th</sup>** International Congress on Aeronautics and Space Law

**20<sup>th</sup>** Meeting of Logistic Commanders of the South American Air Forces

# How to participate?

## Fair Products

### BASIC SHELL SCHEME STAND

Structure **provided by the Organizing Committee** consisting of two side dividing walls and a back wall, which **cannot be modified**. Minimum rental space: 12 sqm for stands close to the walls of the hall and 32 sqm for stands in the central area of the hall. It offers **associated products**.

### SELF-BUILT SPACE

Mainly located in the **central part of the halls**. These areas are designed for exhibitors who wish to carry out **architectural projects**. A **second floor can be added** as long as the minimum surface area is 100 sqm.

# Aircraft Display Park

Large zone to exhibit different aircraft in an **exceptional area surrounded by the halls and chalets** of the Fair.

## CHALETS

Area designed for **business or gatherings**. It offers a **privileged view of the airstrip** and access to the aircraft display park. It can be leased in pairs to duplicate its surface.

## OUTDOOR SQM

Area located around the halls' perimeter. It is **in front of the aircraft display park**. Vehicles, equipment and devices of different origins may be exhibited here at low cost, except aircraft.
